Jake Schaefer and W. Coch. Return Match Signed; Bus Boyle to Meet Red Briggs

Billiard fans of Ogden will be treated to some first rate playing at the to Salt Lake last night, he had in mind Weber club next Thursday evening the matching of two fast lightweights when Welker Cochran of San Francisco and Jake Schaefer of New York seater according to arganization six. cisco and Jake Schaefer of New York satch Athletic club. But when he viscontest, according to information given out here today by Secretary Rocke, feller of the Weber club. Schaefer and Cochran are now en route to Ogden from New York City and are due match between these two men, for the to arrive here on train number 1 Thursday afternoon.

Thursday afternoon.

Both Schaefer and Cochran are rated as being two of the best 182 balk line artists in the world. These two men recently displayed their ability by taking the noted Belgian star. Edouard Horemans, into camp in thrilling contests in New York.

Schaefer in his maich with Horemans recently smashed the world's record for a straight run of 426. In the same match Horemans recogded a straight run of 376.

Cochran had considerable difficulty

Cochran had considerable difficulty in defeating the Belgian but managed to turn the trick after staging a come-back in the final day's play. Up until the final day the Relgian appeared to have his contest tucked away but a spurt by the coast star brought him for his comebacit.

THE CRAZY QUILT

THE OGDEN STANDARD-EXAMINER

Paddock Termed Fastest Runner in Entire World

Charles Paddock is the fastest man in the world. When the Olympic star stepped over the Juriong at Berkeley last Saturday in 20 4-5 seconds, he shattered the world's record for the event, the former record having been established in 1896 by Barney Wefers. The former mark was 21 1-5 seconds. By smashing this mark, which has stood for nearly 25 years, Paddock easily won the honor of being the fastest man in

On the same afternoon the University of Southern California stepped the hundred yard dash in 9 3-5 seconds, which tied the world record held by Craig of Michigan and Drew of the University of

the world.

Southern California.

Probably some day a man will step the hundred faster than 9 3-5 seconds. In December 1905, a professional runner, stepped the distance in 9 2-5 seconds. His name was A. B. Postle and the perform-ance was registered at Kalgoorlie Australia, the record book shows. But his performance was made on a downhill course. The mark set by Wefers in May,

1896 has been equalled on several occasions. Dan Lippincott, Halph Craig, Paddock, Haymond and several other stars have stepped the distance in 21 1-5. Of this num-ber Haymond shads out most prominent due to the fact that he has stepped the distance off in 21.1-5 seconds on four occasions Yea, the west supplies the great

sprinters.

DIAMOND DUST

George Gibson, manager of the Pittsburg Pirates, is authority for the statement that major league ball players will get into playing condition this spring quicker than ever before in the history of the game. He says profor the Ogden A A on the worth noticing.

come-back, or was he sincere in hi statement that Baker was too valuable to trade? Rumors from the Yankees southern camp indicate that overture will again be made to the Washington outfit looking toward a consummation of some sort of deal that will land Baker in Washington and at least se-cure Rice for the Yanks. Huggins is not so certain that Baker will be the star he was formerly, according to letters received from the Yankee boss, and he does know that Rice, who speed up the Gotham entry.

come disgruntled or peeved with Manis thinking of trading in Wheat. And ager Cobb to the point of going to the big boss," Frank Navin, will find has copped the bacon by happing to it.

Folks who live near a big league park won't need a phoneygraph to furnish music in a few weeks.

A golfer is one person who can putt around and still get some place.

A boxer may reach the height of puglistic fame though he never carries his hat into the ring.

Southern association fans will have Southern hurlers who went up to the big show, stick. Eleven moundmen have been promoted to the "big line." and while some of them have records that are impressive, the majority of them did not seem to have the polish that is demanded of boxmen who are starting in the majors. Yellowhorse, of the Little Rock club last year, seems to be the likeliest candidate of the crew. He goes to the Pirates. Yellowhorse turned in an interesting record in the Southern, marking up 21 victories and seven defeats. The great need of hurlers in the American and National is said to have been re sponsible for the promotion of some of these hurlers.

George Sisier of the St. Louis Browns, is out to better one of his own marks. Sisler struck out 1.5 times in 1920, and closed with a bludgeon average of .407. He says he wants to lower this mark to 15 this and in 1922 he wants to total

Not given over to the making of predictions, Owner Jimmy Dunn, of the Cleveland Americans, says he will the coming baseball season more than any that have passed, be-cause the Indians will be fighting to repeat their 1920 success. "I am not repeat their 1920 success. "I am not going to say Speaker's men will win the flag, but I tell you the team that beats us will have to be a whole lot better than any team in the 1920 race," said the magnate.

By GENE AHEARN MAKE NEW PLANS SPITBALL FOR GRID TEAMS PLAN COMEBACK

Noted Expert States That Moist Ball Artists Booked Stalling Is Ruining Popular Sport

Major Frank W. Cavanaugh, football coach at Boston college, is not entirely satisfied with the present foot-ball code. Cavanaugh says there is too much stalling in the present game. spitball. They are working on their last lease—so to speak—and it is up to the moist ball flingers to stretch out their season of opportunity as long and that unless the codemakers do some serious revamping the autumn game will lose its following as quickly as it was gained in the past few years, or since the forward pass was adopted.

The Boston college mentor's idea of a football game may not line up with the ideas of some of the other leading eastern coaches, but there are more who can say Cavanaugh is not a veteran of the gridiron, and therefore in a position to voice an opinion on the sport

Cavanaugh was half inclined to give -hearted support to the plan of Coffin, of Harvard, who wantrf. R. Coffin, of Harvard, who wanted to do away with the watch and operate football games as per the number of plays. The Coffin plan does not entirely suit Cayanaugh as to the elimination of stalling, otherine it is thought he would have personally backed the plan.

COACHED BOSTON.

The Boston College team, coached by Cayanaugh the last season, could not be classed as a stalling team, yet last more than three years unless they

The Boston College team, coached by Cavanaugh the last season, could not be classed as a stalling team, yet they won the right to the title of national champions, according to their thousands of followers in the cast Cavanaugh explains that many times his team got the jump on the opposition through quick work, and the advantage gained. Though small, did much to strengthen the confidence of the Boston College players.

Of all the eastern coaches, Cavanaugh has perhaps been more bitter in his attack on present day football than all the others. He has several times declared the rule makers though too much of some of the larger schools, and not enough of the game itself, during their conferences or rule changes. He has also attacked what he calls football rulemakers weakness' is holding too fast to the old stuff without trying the new Although it was generally supposed Cavenance of the classes of the protect the arm nuscles and ligaments.

Clovel and Indians does not believe the present crop of spitball huriers can last more than three years unless they change their style of working.
